Safe Return to Instruction and Continuity of Services Plan

DECEMBER 12, 2022

Montana Governor, Greg Gianforte, declared the State of Emergency over June 30, 2021. Any further plan needs are strictly for federal government compliance.

The district's purpose is to develop productive citizens. How and what we do within our schools to provide for the health and safety of all students, staff, families, and visitors will need to remain flexible to achieve our purpose. To that end, all school operations are reviewed with the latest public health information available. Decisions of operational status may change throughout this school year as public health situations change.

What school will look like...

FULL SCALE ON-CAMPUS INSTRUCTION

- Regular service and instruction
 - Monday through Friday
- No remote learning options
- Masks are **OPTIONAL, even on buses**

FACILITY HEALTH MEASURES TO BE TAKEN

- Continued classroom custodial care and disinfecting
- Cooperative cleaning of areas
- Visitor Screening at entrances
- Continued bus disinfecting

Remain mindful of the pandemic...

STAY HOME IF...
(Students and Staff)

- You are showing signs of symptoms of COVID-19
- You or a family member are awaiting a C19 test result
- You have been quarantined
 - Contact your building administration for learning options while out of school

SCHOOL/HOME PARTNERSHIP

WE BELIEVE THAT OUR RELATIONSHIP IS BUILT ON MUTUAL RESPECT OF EACH OTHER. IT IS VITAL THAT WE PARTNER TO ENSURE SELF-MONITORING (STUDENTS, PARENTS, AND STAFF ALIKE), WHICH WILL ALLOW US TO WORK TOGETHER FOR THE BETTERMENT OF OUR SCHOOLS.
