

# Poplar School District

## ARP (ESSER III) Stakeholder Engagement Plan and Meeting Dates

### Session 7: Soup w/the Supt!

Monday, 07 March 2022- Community Outreach- PES Cafeteria, 5:30PM

Join the Poplar Schools for your chance to provide input and lend your voice to the American Rescue Plan. Funds were dedicated to K-12 schools as ESSER III funds. To maximize funding allocated, the Poplar Schools needs to engage the community and determine appropriate uses. The purpose of these funds is to help maintain a safe and effective learning environment through the operations of our schools while addressing the impacts associated with the Covid19 pandemic. Your feedback is valuable to the students of our district.
