RE: Moving to Remote Status for Education

Hello,

We will be going to remote status starting tomorrow, Nov. 11th. Here are some pointers for this process:

- There will be no staff or students allowed on school grounds for the remainder of this week.
- All staff will return on Monday, Nov. 15th with the following schedules and a targeted return to normal school schedules on Nov. 29th. While working these shortened hours, all hourly staff will receive their contracted hours.
- School buildings are open for staff 9am-3pm Monday-Friday
 - November 15th-23rd
- Middle School sports are cancelled through the 29th
- High School sports may start on the 19th, that will be determined next week. Definitely not starting on the 18th.
- Speech and Drama is off through the 19th
- November 24th will be a day off with pay for the way it is scheduled. Have a Happy Thanksgiving.
- Special Board Mtg. on Nov. 18th
- School intends to return to in-person, on-campus instruction Nov. 29th

Of course this memo does not cover everything. If you have specific questions, please call your student's school office or the Central Office starting Monday, November 15th. Thank you and I hope we will return to "regular" operations beginning November 29th.

The purpose of the Poplar Schools is to develop productive citizens.
