RE: Moving from Remote Status to In-person Education

Hello,

We will be returning from remote status starting Nov. 29th. Here are some pointers for this process:

Return from Remote

- All students and staff will return to face-to-face, on-campus learning on November 29th
- Students may be in buildings beginning November 19th at appointed times as requested by teachers, **BY APPOINTMENT ONLY**.
- Masks will be worn in common areas and where social distancing cannot be maintained
- Masks will be worn on all buses
- HS sports/activities may begin/resume practice or competition on November 19th
- MS wrestling may resume practice on November 22nd
- Lunches will be served though November 23rd

Of course this memo does not cover everything. If you have specific questions, please call your student's school office or the Central Office. Thank you and I look forward to the return of your students.

The purpose of the Poplar Schools is to develop productive citizens.
