Dear Poplar High School parents/guardians/students/community:

This letter is to inform you during this unprecedented time, in not only Montana, but the Nations educational history that the Emergency Management Team has met after returning to school from remote status. After discussion and seeing a rise in positive/close contacts due to COVID in the short hours back at school a determination was made. The Emergency Management team decided to go back to remote status with students returning on November 29th. The following are details of what will go on through remote learning for Poplar High School:

- Tentative date students will return is November 29<sup>th</sup>
- No one is allowed in Poplar schools on 11/11 and 11/12
- Teachers and other staff will return to work on 11/15 (teacher and staff will not be in on 11/24)
- Hours will be 9 am until 3 pm so if you need to reach out to your teacher, please do so they will also be able to meet via google meet/zoom for more face-to-face interaction
- Chromebooks or other materials can be retrieved starting Monday 11/15 by calling the school and waiting outside for someone to bring it out
- Be on the lookout for how and when lunches will be delivered

We want to ensure that your child's safety and education are our #1 priority during this pandemic. Please continue to look at Poplar Schools website, Facebook page, social media, local news, and radio for further information regarding Poplar School District. Please feel free to contact me at the school either by phone, cell phone, or via email if you have any questions/comments/concerns.
