AGLAND CO-OP SCHOLARSHIP APPLICATION

This scholarship will be for the amount of \$500.00, to be awarded to a senior boy or girl on the basis of need and demonstrated effort.

The recipient may attend any regular college, university, or accredited Vocational School. Studies must be taken in agriculture, or agricultural related fields, or recipient must come from a farm family.

Selection will be made by a committee composed of a high school counselor, plus two additional staff members. (Teachers or administrators shall be used)

Selection will be made on the basis of financial need and the concentrated effort put forth by the individual. Students who put forth more than the average effort to maintain better than average grades, shall be given top consideration.

The high school will contact Agland Coop of the current recipient with the information needed for awarding the scholarship, along with the name and address of the college, and the STUDENT ID NUMBER, in order to ensure accurate credit to the students account.

\$500.00 will be paid to the students college of choice for the fall semester.
